

Arbitration Agreement

ARTICLE 1: It is understood that any dispute as to medical malpractice that is, as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

ARTICLE 2: a. Parties to the Agreement. The term "Client" as used in this Agreement includes the undersigned individual, her spouse, children (whether born or unborn), and heirs, assigns, or personal representatives. The individual signing this Agreement signs it on behalf of the foregoing persons, and intends to bind each of them to arbitration to the full extent permitted by law.

The term "Provider" as used in this Agreement includes the undersigned Midwife(s) and their professional corporation or partnership, and any employees, agents, apprentices, assistants, successors-in-interest, heirs, and assigns of the foregoing individuals or entities. The provider signing this Agreement signs it on behalf of all the foregoing individuals and entities, and intends to bind each of them to arbitration to the full extent permitted by law.

b. Treatment Covered. Client understands and agrees that any dispute of the sort described in Article 1 between Provider and Client will be subject to compulsory binding arbitration.

c. Other Providers (if applicable). Client understands that she may at times receive treatment from one or more health care providers who take call for or otherwise practice jointly with the undersigned Provider. It is understood and agreed that any dispute of the sort described in Article 1 between Client and such health care providers will be subject to compulsory binding arbitration.

d. Coverage of Prenatal Claims. Client understands and agrees that any dispute of the sort described in Article 1 as to medical treatment rendered to or affecting the unborn child will be subject to compulsory binding arbitration.

ARTICLE 3: a. Informal Resolution of Disputes. In the event Client feels that a problem has arisen in connection with the care rendered by Provider to Client, Client will promptly notify Provider so that Provider may have the opportunity to resolve the matter. Notice may be given orally or in writing and shall stop the running of the statute of limitations for 90 days.

b. Method of Initiating Arbitration. If the dispute is not resolved by mutual agreement, Client may initiate arbitration by notifying Provider to that effect and by designating an arbitrator to act on Client's behalf. Within 20 days of receipt of such notice, Provider will designate an arbitrator to act on Provider's behalf. In the event that more than two parties participate, parties aligned with Client shall select one arbitrator, and parties aligned with Provider shall select a second arbitrator. The two "party" arbitrators shall select a neutral arbitrator. The controversy shall then be submitted to the three arbitrators for a final and binding decision.

c. Applicable Law. The arbitration shall be conducted pursuant to the California Arbitration Act (CCP 1280-1296). The arbitrators shall, in addition, have authority to order such other discovery as they deem appropriate for a full and fair hearing of the case. A determination on the merits shall be rendered in accordance with the law of the State of California which shall apply to the same extent as if the dispute were pending before a superior court of this State.

d. Interpretation of Agreement. If any part of this Agreement is held unenforceable, it shall be severed and shall not affect the enforceability of the remainder. This Agreement supersedes and replaces any previous arbitration agreement between Provider and Client and applies to all care previously rendered by Provider to Client.

ARTICLE 4. Rescission. Once signed, this Agreement governs all subsequent services rendered by Provider to Client until or unless rescinded by written notice within 30 days of signature. Written notice may be given by a guardian or conservator of Client if Client is incapacitated or a minor.

NOTICE: By signing this contract you are agreeing to have any issue of medical malpractice decided by neutral arbitration and you are giving up your right to a jury or court trial. See Article 1 of this contract.
